

**Valencia College/Lynx Transit Services Student Pass Program
Student Consent to Release Education Records**

PRIVACY RIGHTS OF STUDENTS

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records under Chapter 20, United States Code, section 1232g and other implementing regulations. FERPA requires each student be notified annually of the rights accorded them by FERPA. These rights include: (1) the right to inspect and review their education records within 45 days of a request for access. (2) the right to request an amendment to the education record if the student finds the records to be inaccurate, misleading, or in violation of their privacy rights. (3) the right to provide written consent before the college discloses personally identifiable information from the student's education records, except to the extent that FERPA authorizes disclosure without consent. (4) the right to file a complaint with the U.S. Department of Education concerning alleged failures by the college to comply with the requirements of FERPA. FERPA provides for a category of student information termed "directory information" which is available to all persons upon request unless the student places a "confidential hold" on his/her records.

DIRECTORY INFORMATION:

- Student's name
- Major field of study
- Dates of attendance
- Dates of degrees, honors or awards received

Education records other than directory information may be released only with the written permission of the student or as otherwise permitted by law.
